

# Hacking task 7

Adrien Coulet and friends

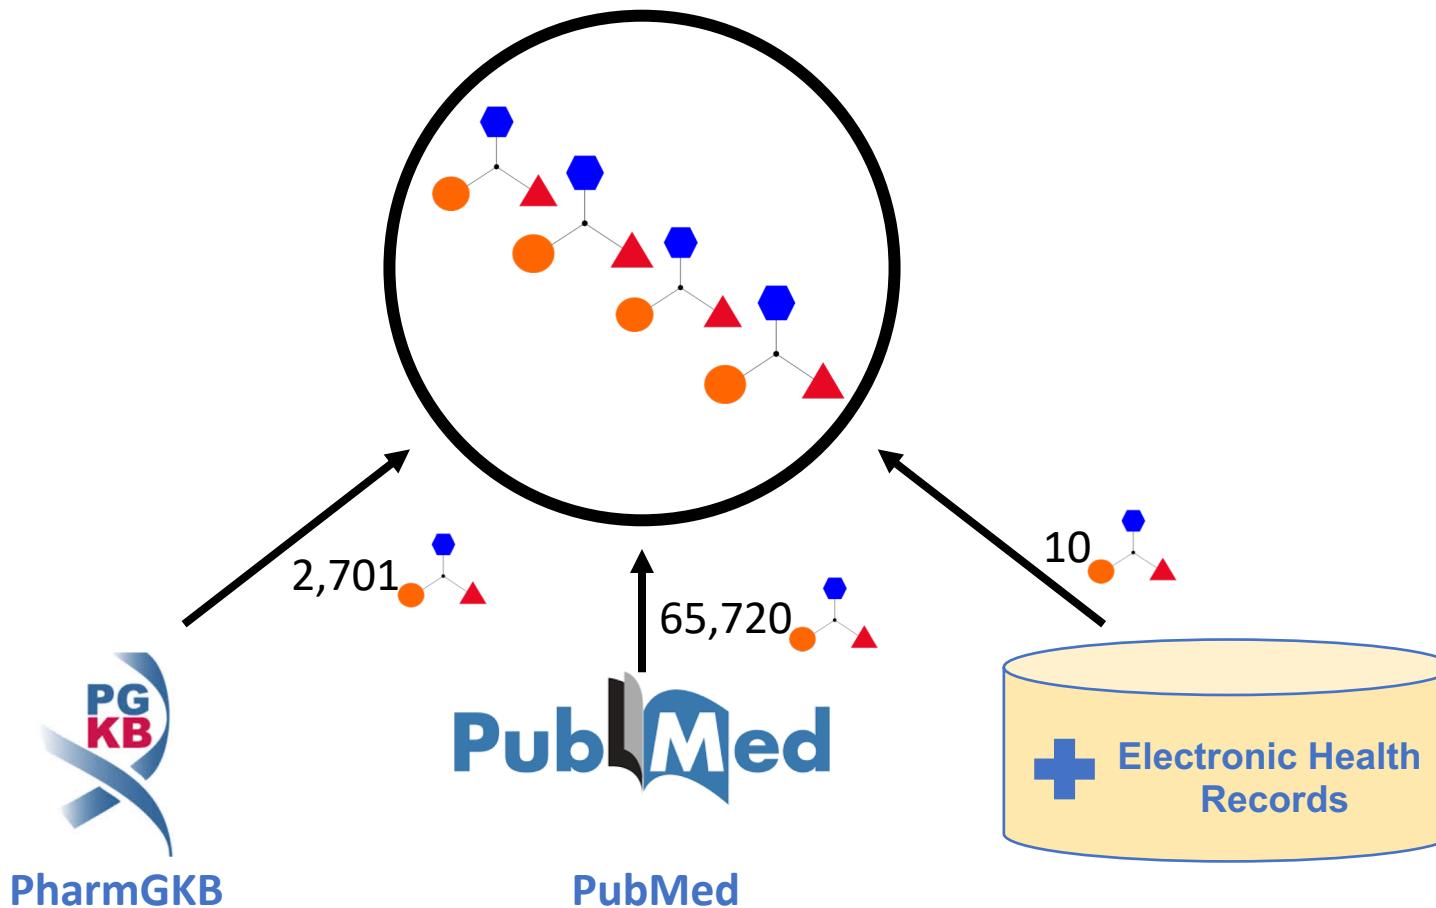

Gitter channel:  
BioHackathon 2018 Paris/07-PharmaLOD

# Sources of pharmacogenomic (PGx) knowledge are heterogeneous!

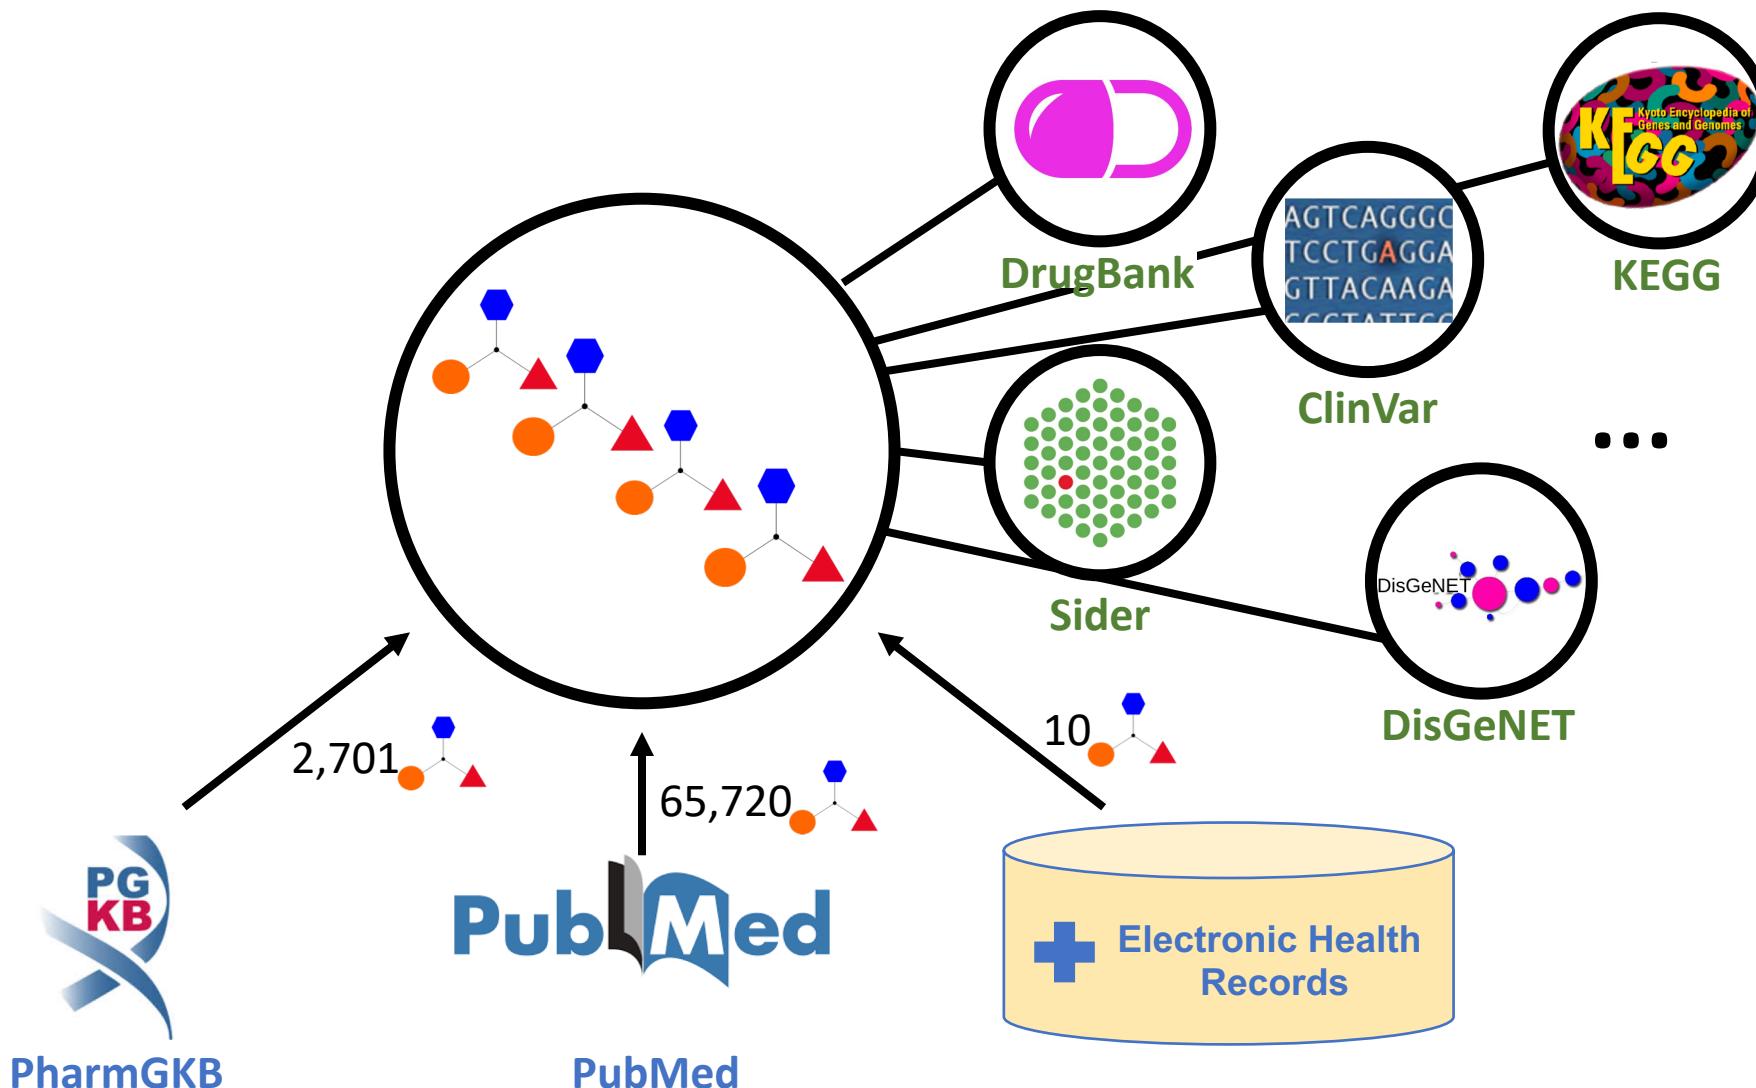

=> PractiKPharma project (2016-2019)  
founded by French ANR

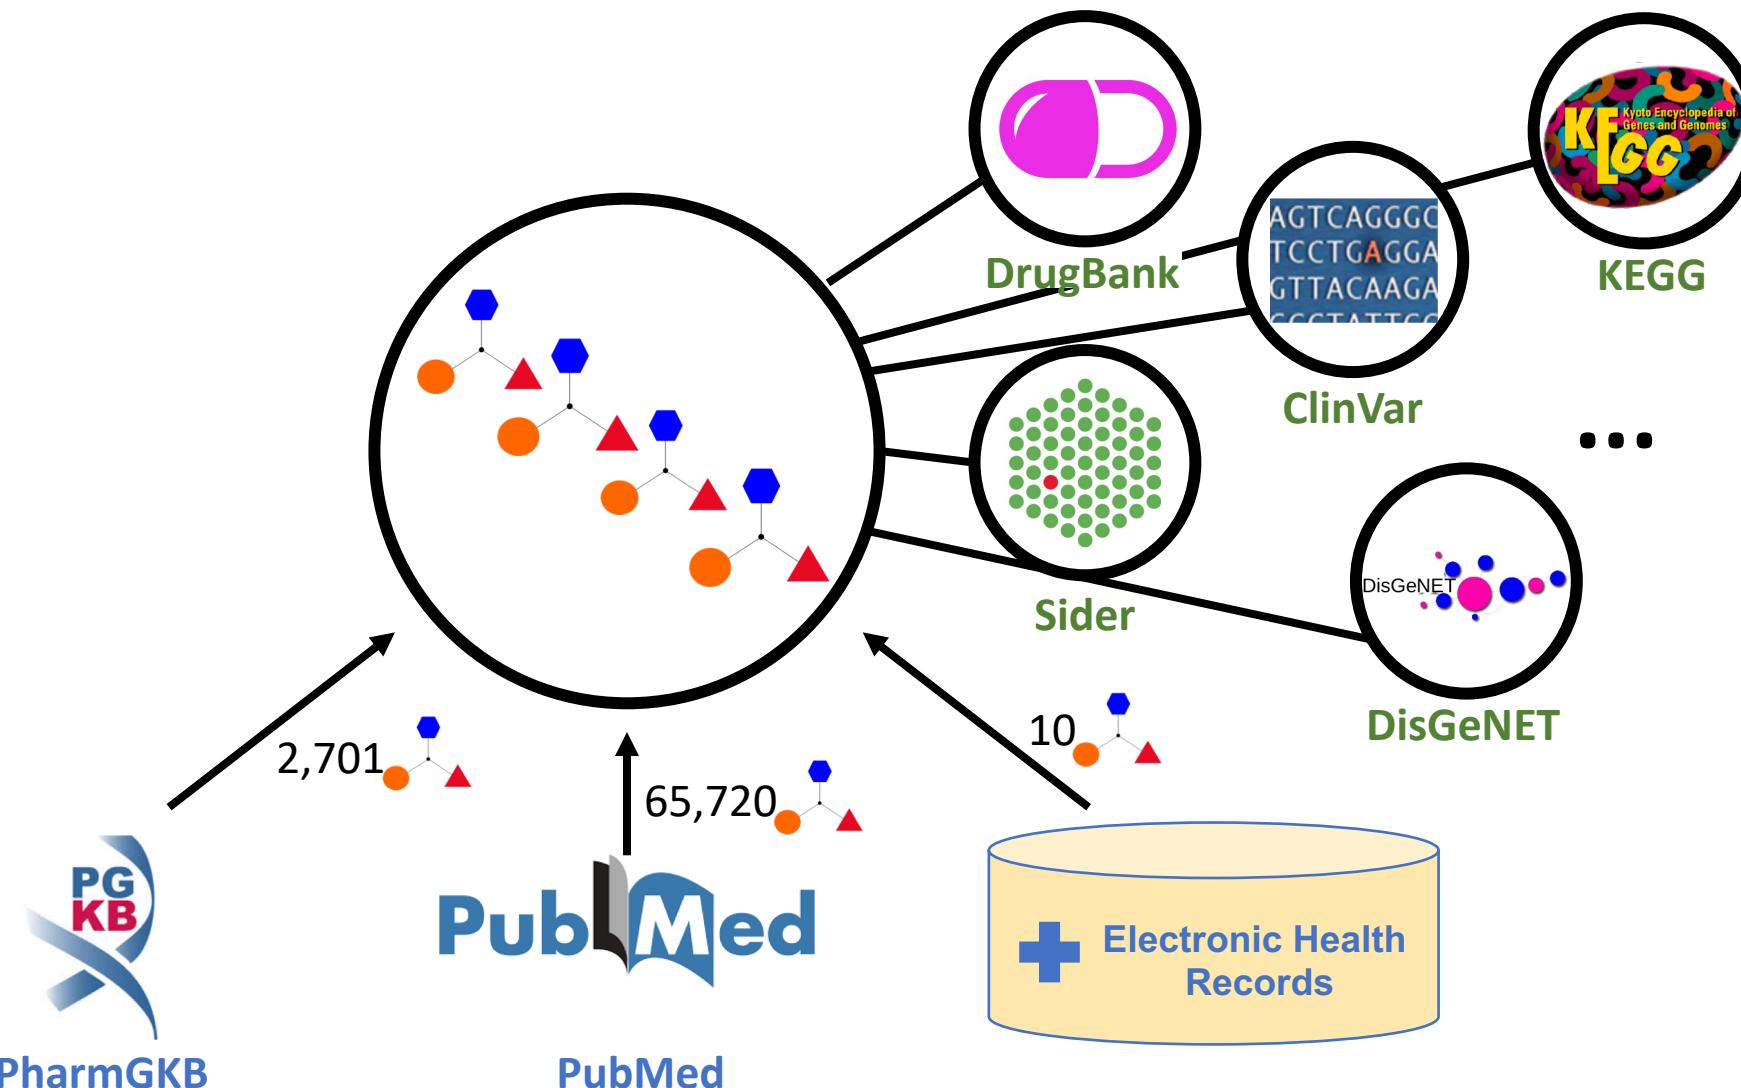

# PGxLOD: a reconciliation of pharmacogenomics (PGx) knowledge

# PGxLOD: a reconciliation of pharmacogenomics (PGx) knowledge

# PGxLOD: a reconciliation of pharmacogenomics (PGx) knowledge

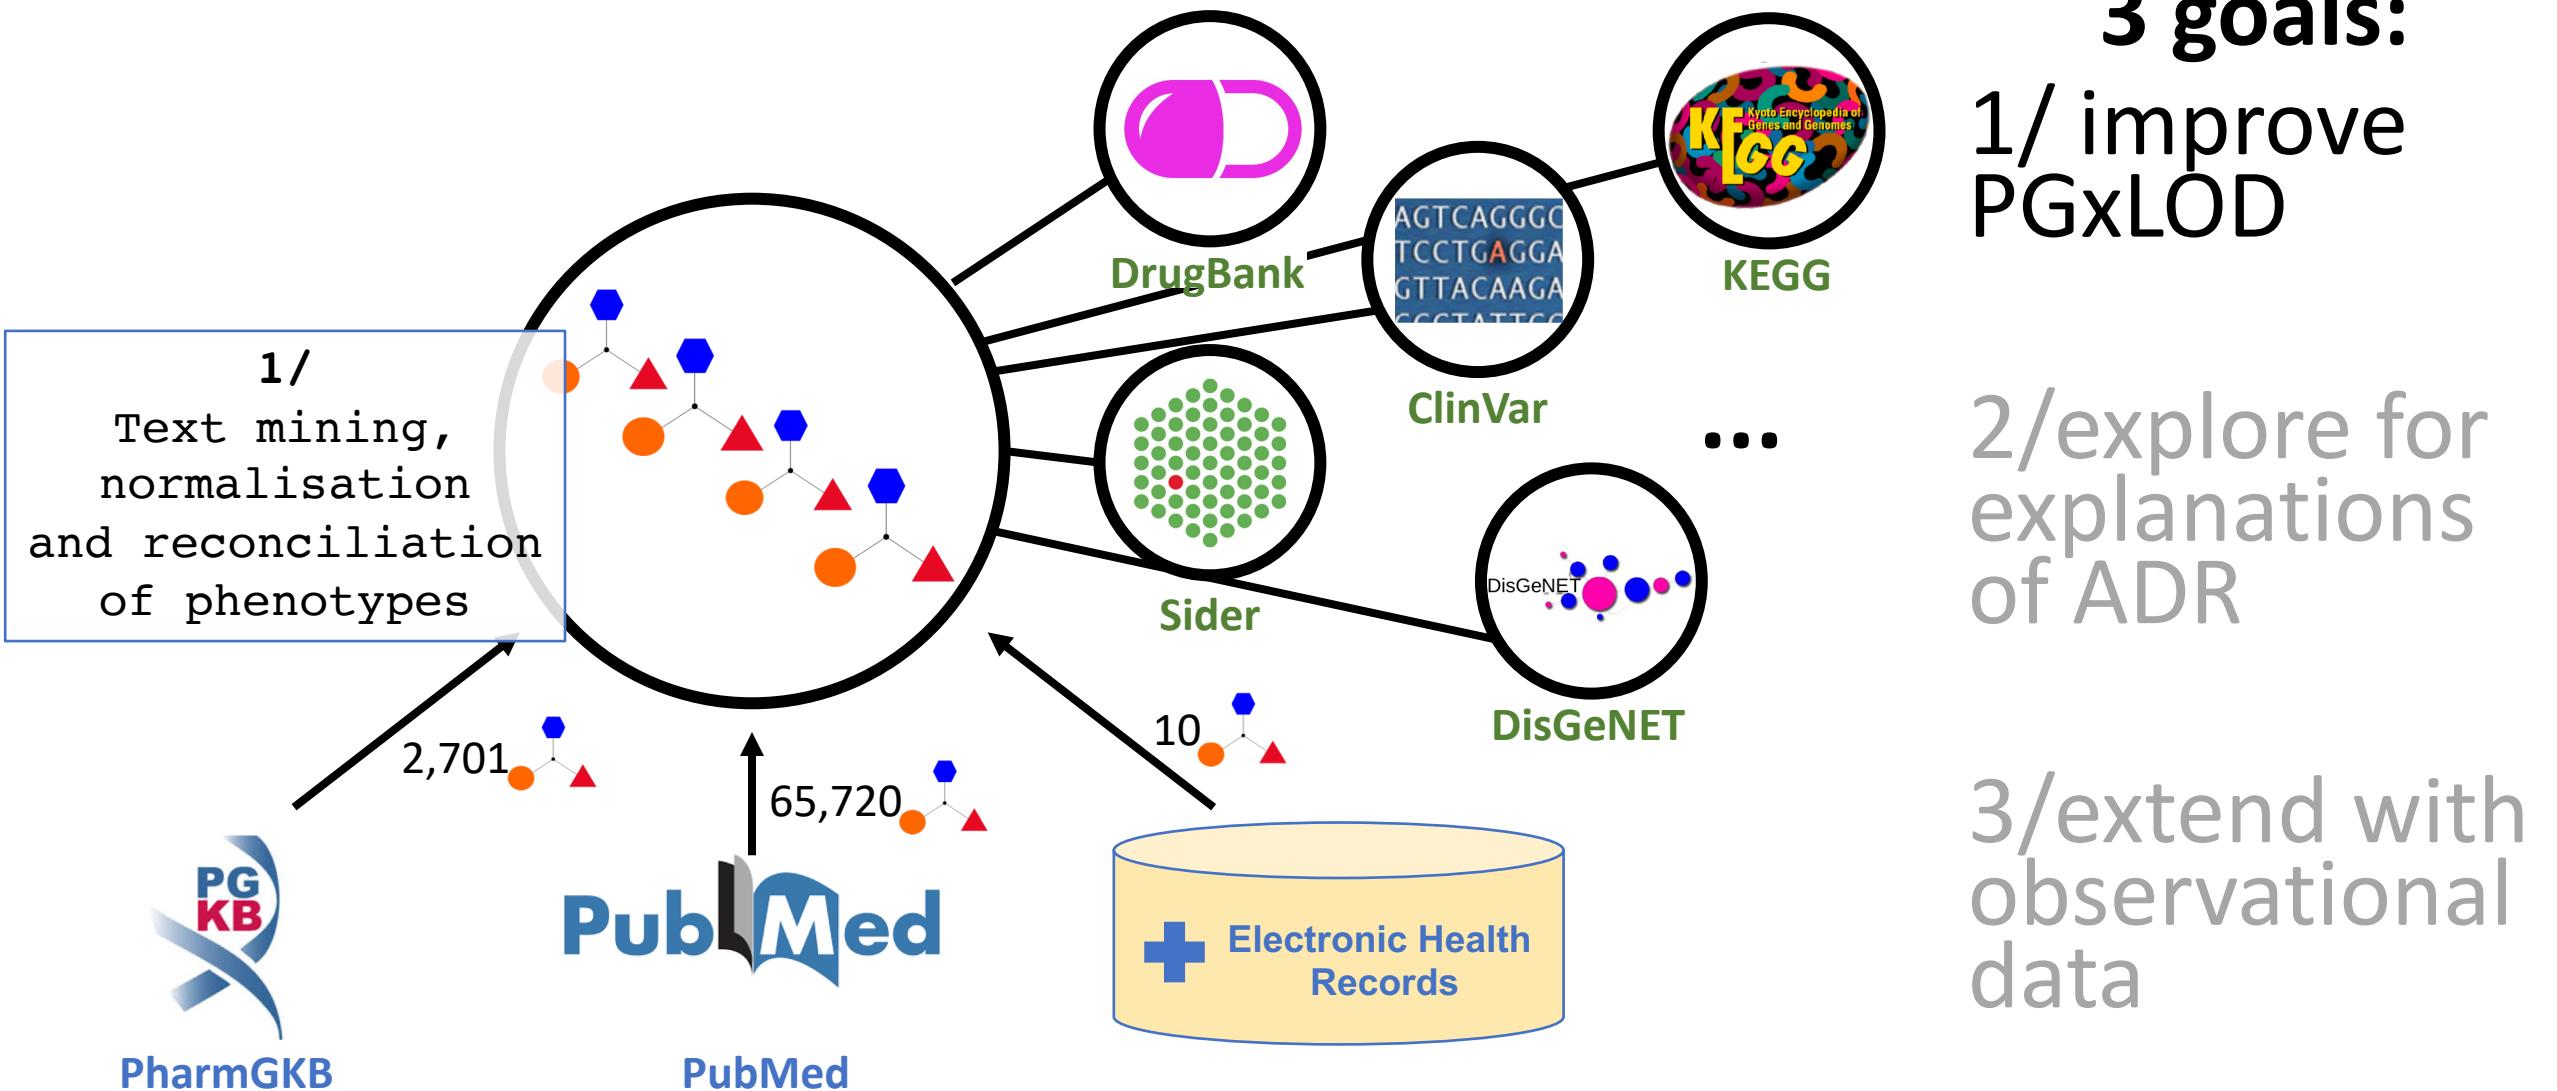

**3 goals:**

1/ improve PGxLOD

2/explore for explanations of ADR

3/extend with observational data
